AMENDMENT

The following amendment and remarks are submitted in response to the Office Action mailed September 12, 1994 (Paper No. 3) in connection with the above-identified patent application and are being filed within the three-month shortened statutory period set for a response by the Office Action.

Please amend the application, without prejudice, as follows:

In the Claims:

7. (Amended) The system as recited in claim 1 further including means[, remotely located from the playing means,] for changing, updating or deleting the announcement.
